

A banner for PGA HOPE & Military Mondays at Sun Willows Golf Course. The background is a photograph of a golf course with a green fairway, a sand trap, and a flag on a green. An American flag flies on a tall pole in the background. The text is overlaid on the image.

# PGA HOPE & Military Mondays at Sun Willows Golf Course

**Military  
Mondays**

## PGA HOPE at Sun Willows Golf Course

At Sun Willows Golf Course, we proudly support our nation's Veterans through PGA HOPE—the flagship military program of PGA REACH.

This program allows our coaches the ability to introduce golf to Veterans and Active-Duty Military to enhance their physical, mental, social, and emotional well-being. Through a series of FREE, adaptive clinics, Veterans of all skill levels are invited to experience the healing power of golf in a supportive, inclusive environment.

Our certified PGA Coach, Levi Dronen, provides accessible, skill-building instruction while promoting the camaraderie and therapeutic value that golf offers.

## Military Mondays & Other Discounts

We are proud to offer Military Mondays, a special opportunity for Veterans to improve their game with exclusive pricing. If you are looking to further sharpen your skills through individual lessons or as a group, all Veterans and Active-Duty members will receive a 50% discount on lessons with Levi Dronen.
